

Kindred *Spirits*

Igniting the flame of hope through song

Sunday, June 12, 2011

The Walt Disney Concert Hall at 7pm

Join the spirit as we ignite the flame of hope and celebrate life through song! This year's humanitarian aid concert benefits International Medical Corps, a global nonprofit organization whose mission is to save lives and relieve suffering by providing health care training and development programs in underserved communities. In addition, the Kindred**SPIRITS** Humanitarian Award for 2011 will be presented to the legendary Carlos Santana, for his work with The Milagro Foundation.

For your entertainment, jazz and popular musicians, Roslyn Kind, David Benoit, Eric Rigler and a special smooth jazz guest artist will join Ilan Davidson, the LA Jewish Symphony, and Faithful Central Bible Church Choir in an evening of inspirational music and celebration.

Visit KindredSPIRITSlive.org, or call 323-319-4TIX (4849) for information about concert tickets, donations, and sponsorship opportunities.

Featuring

Roslyn Kind, David Benoit, Eric Rigler, Ilan Davidson, Faithful Central Bible Church 60-voice Gospel Choir, and the LA Jewish Symphony under the direction of Dr. Noreen Green.

Kindred**SPIRITS** is co-produced by Temple Beth El of San Pedro, with 50% of the net proceeds supporting International Medical Corps.
